9 Hole Tournament Course 1-6 / 13-15

Par 34 Course

Format: All teams will be competing in a Nine - Hole four-person scramble for today's event. Each player will tee off on every hole. The team will select the ball in the most favorable location of the four balls, and then all four players will execute their next shots. This format of moving to the best location of the four-team balls will continue until the ball is holed out.

Players may prefer their lie within one club length of the team location no closer to the hole. The ball, however, must remain under the same condition as the original lie. If the team ball lies in the rough, all players must execute their shots from the rough. Woods, fescue and rough are all considered the same condition.

On the putting green, no preferred lies are allowed. All players must putt from the exact location of the team ball that has been selected.

If you are competing on an all-ladies team, you may deduct one stroke off your score on Hole 15 because it is a par five for ladies. (Per the World Handicap System)

Handicap- The team handicap will be calculated by using 20, 15, 10, and 5 % from low player to high player on the team. This formula will create your team handicap

Tee Markers: Men will play the White Tee Markers

Women will play the Red Tee Markers

Men 70 and over with HDCP of 20+ may play from the Green Tees

Men 80 and over with HDCP of 20+ may play from the Red Tees

Tie Breaker: Will be conducted by pulling a number out of a hat and starting on the hole number that was selected and matching scorecard
